## New Haven, CT, Yale University, Beinecke Rare Book & Manuscript Library, Beinecke MS 783

*Description:* ff. 264 + i - Nineteenth century. Quarter binding of brown marbled paper (spine) and green paper covers over cardboard. On the spine brown paper label with handwritten title "Sermones. / Mss.". - Purchased from Bernard M. Rosenthal, Berkeley (MS 48 in his collection) on the Edwin J. Beinecke Fund.

*Notes:* -Manuscript on paper of a collection of sermons. The author is nowhere mentioned; the sermons are all in the learned style of Caracciolo (Robertus Caracciolus, Robertus de Licio OFM, 1425-1495), but only a few of them can be identified, so the authorship of most is not certified. With a list of impediments to Communion. The margins, inserted leaves and leaflets are covered with abundant additional material and notes in the same and in other contemporary hands, generally in Latin, some in Italian. In the text, the additions, and the notes a very large number of classical, patristic and medieval authors are quoted.

*Number of Parts:* 1 - *Number of Images Available:* 0
